Whether dining out or preparing food at home consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.

The community of South Elkhorn was established in 1783, and sits at the center of Kentucky's Thoroughbred Culture and Industry. The original stone house was built in the late 1800s and was used as a tack shop from 1985 to the mid 2000s. Since 2005 the Tack House Pub (formerly Coffee Pub) has been offering the finest in traditional southern breakfast and lunch. By staying true to our Bluegrass heritage, we believe your experience with us will be truly memorable.
